

*** Parking is also available in the 150 Tower if the 100 Tower is full. If you are on Marquette Avenue, continue down to 4th Street and turn right onto 4th Street. Stay in the right lane and turn at the next right onto 2nd Avenue. The 150 Tower garage is located halfway way down 2nd Avenue on the right, directly after the alley.**

ALTERNATE PARKING RAMPS

Nic on 5th

The Nic on 5th ramp is directly across from the 100 Tower garage on Marquette Avenue. Turn left turn off of Marquette into the garage (rather than a right turn into the 100 Tower garage).

Downtown Auto Park

This is an exterior garage next door to the 100 Tower garage on Marquette Avenue. Turn right, directly after the alley, between 4th Street and 5th Street on Marquette. *Note: Parking spaces are tight.*

RBC Plaza

Located half a block down on 5th Street after crossing Marquette Avenue, the RBC Plaza ramp is directly across from the light rail station.

Fifty South Sixth

The Fifty South Sixth ramp is a little farther away, but still within a short walking distance. The entrance to the garage is on 6th Street between Hennepin Avenue and Nicollet Mall on the left. This ramp rarely fills during the summer months.
